

Anti-Static Chairmats

Nationwide Plastics, Inc. custom manufactures chairmats to your specified size and shape. We can prepare your mat to allow you to arrange your work space for comfort while protecting yourself from strain by providing a better surface for your desk chair.

Trans-Stat Chairmats dissipate static electricity without grounding cords.* Hundreds of anchor points will secure your chairmat to the carpet below. Our Anti-Static Standard Chairmats are made from high quality .145" thick textured ultra-clear cleated vinyl.

Includes Manufacturer's Lifetime Warranty *
